Jennie  
I wrote a letter yesterday  
but I will send this card  
I am sure you will be  
happy to receive it. I have  
in & kill the bugs  
so many that there hardly ever  
is enough left. If yours is  
a little thick take the scissors  
and snip of a few they will  
do better if they are too  
thick. If we could only have  
some rain do you get any  
showers they go all  
around us we got a little one  
sunday JLD

This is a postcard from Jennie to Marion dated 11 July 1912.  
It reads as follows:

I wrote a letter yesterday but I will send this card. I am sure I can't tell how many cucumber plants I leave in a hill the bugs generally take so many that there hardly ever is enough left. If yours is a little thick take the scissors and snip of a few they will do better if they are too thick. If we could only have some rain do you get any showers they go all around us we got a little one sunday JLD
